**SUBJECT: THE DEVIL WENT DOWN TO GEORGIA**

John Bloom, the Chairman of the Constitution Party of Virginia, and though he is a Christian, his document for governing is and has always been the Constitution of the United States. Many of those that proclaim to be Christians follow a man that has more in common with the Anti-Christ than Jesus Christ. John 8:44 identifies Satan as "The Father of Lies", which describes Donald Trump to a tee. The Bible warns Christians that MANY (believers) will be DECEIVED. The Bible mentions the story of King Saul, who HIS people HIS people wanted a KING and just like Donald Trump, did not ask God for forgiveness and was very Self-Seving. Many "Christians" in 2016 professed that it was God's Will that elected him, but now in 2020 refuse to believe it was God's Will to remove Donald Trump from power and replaced him with Joe Biden, like he removed King Saul and replaced him with King David. This does not imply that Joe Biden is by any means like King David, except that he does admit when he is wrong.

This past weekend "The Devil Went Down To Georgia", <https://youtu.be/wBjPAqmnvGA>, for "he was WAY BEHIND and willing to make a deal". The Band of DEMONS are his NON-CHRISTIAN supporters threatening VIOLENCE if state officials do not OVERTURN the results of the Presidential Election in several states, and betray the will of the people.

Mr. Bloom was a Republican and left the Republican Party the day Donald Trump became the Presidential Nominee of the Republican Party, because Mr. Bloom expected Donald Trump to CORRUPT the Republican Party, but since then Donald Trump has corrupted the MORAL CHARACTER of the American People. When Mr. Bloom lived in New York State he was a member of the Conservative Party of New York and the Democrats in Suffolk County NY had a nickname for him that few if any in the Republican Party could have, "FATHER JOHN". They knew Mr. Bloom sincerely cared about the future of America and though they disagreed with him on issues, they respected him.

The Constitution Party of Virginia is attempting to rebuild the Reagan Coalition, of Reagan Democrats, Reagan Republicans and Reagan Democrats, that once UNITED America, winning 49 States only losing to his opponent Walter Mondale in his home state and the district of Columbia. There is also a Constitution Party of Georgia, whose Chairman Ricardo Davis, Mr. Bloom considers a friend and is dedicated in building that Reagan Coalition in the state of Georgia. Mr. Bloom will issue another Press Release urging the voters of Georgia who they should vote for to protect the Constitution of the United States and America's Constitutional Republic.
